NARRATIVE

While assigned to the Mission Police District, I have responded to numerous citizen complaints regarding illegal homeless encampments, tents, trash, drug paraphernalia, hypodermic syringes, and other miscellaneous debris. These encampments often block/obstruct sidewalks and/or create a public health hazard due to debris, human waste, and drug paraphernalia left in/around them.

On Sunday, April 10, 2016 at approximately 1110 hours, Officer Kunaboot #1273 and I were in full police uniform driving a marked patrol vehicle assigned to Mission Station (Co D). At the listed time we were dispatched to the intersection of Shotwell Street at 19th Street regarding a "large homeless encampment blocking the sidewalk." (CAD # [REDACTED], RP Name: [REDACTED] (tel. [REDACTED])).

An additional call for service regarding the same encampment was also called in by DPW (CAD #161011329).

Upon arrival I noticed an erected tent was located on the east side of Shotwell Street near 19th Street. The green tent had a white tarp covering it as well as an additional brown tarp. I also saw various pieces of furniture, a shopping cart full of miscellaneous items, and trash surrounding the tent.

I recognized the owners/ occupants of the tent as (ADM1) [REDACTED] and (ADM2) [REDACTED]

Officer Kunaboot approached [REDACTED] and [REDACTED] and began speaking with them about not being able to erect a tent and lodge on city streets. Officer Kunaboot asked [REDACTED] and [REDACTED] to disassemble their tent as they were in violation of illegal lodging. [REDACTED] told Officer Kunaboot that she would not take down her tent and to issue her a citation because she would not pay for it anyway.

During this time a member of the homeless coalition approached us and began video recording the incident. [REDACTED] and [REDACTED] began telling us that the police department was harassing them because they were witnesses in a shooting that involved a Sergeant in the San Francisco Police Department and a homeless man that lived next to them. [REDACTED] continued by saying we would not be harassing them if they didn't report that the Sergeant unnecessarily killed someone.

The member of the homeless coalition began asking me questions regarding Mayor Ed Lee's statements about the homeless. I told the member of the homeless coalition that I was not familiar with Ed Lee's statements and that I needed to handle [REDACTED] and [REDACTED]'s illegal lodging first. The member of the homeless coalition remained on scene and filmed Officer Kunaboot and myself from multiple angles and held his camera up to record anytime I spoke with [REDACTED] or [REDACTED]. The member also gave [REDACTED] and [REDACTED] (who is approximately [REDACTED]) a cigarette each to smoke. I advised [REDACTED] that smoking while [REDACTED] was not advised; she snickered at me in response.

I told [REDACTED] that I would prefer she take down her tent rather than have us issue her a citation. [REDACTED] eventually changed her mind and agreed to take down the tent in lieu of receiving a citation. [REDACTED] and [REDACTED] were admonished for the violations of Penal Code § 647[e] (illegal lodging) and Penal Code § 372 (maintaining a public nuisance).

I took three (E1) photographs of [REDACTED], the erect tent, and surrounding debris/ miscellaneous trash and uploaded a copy of the photograph to the document section of this report.
